Your **J.D. NEUHAUS** Sales Team

Environmental Certification acc. to ISO 14001

End of December 2009 J.D. Neuhaus GmbH & Co. KG has been certified for their comprehensive Environmental Management System according to the international Environmental Standard ISO 14001 by the TÜV Rheinland.

Environmentally conscious management has been a fundamental component of the corporate policy at J.D. Neuhaus all times.

One of the most important commitments of the J.D. Neuhaus management is to promote awareness, openness and a sense of responsibility among employees in order to establish conditions favourable to the implementation of the environmental guidelines.

Together with the certification of the Environmental Management System the JDN Quality Management System acc. to ISO 9001 has been recertified by the TÜV Rheinland.

JDN Posters

The following JDN Distributor Posters are now available for marketing purposes. Printed DIN A2 format or as download under www.jdn.de.
