New JDN Image Brochure

Here we are. Powered by air!

This is the short and concise message of the new JDN Image Brochure.

The striking illustration of the industries that are using our products demonstrates our self-conception as a world-wide leading manufacturer of pneumatic hoists.

In conjunction with the headlines the viewer realises the main statements of the enterprise when paging quickly.

The reader obtains further information in the fold-out texts, which complete every page with regards to the content.

Ask for your requested copies in German or English.
